Twilight Fair

Excitement is building around our Twilight Fair as it races to the big day! Raffle tickets have gone out and are coming back, all the stalls are almost organised, the logistics team are coming up with the final arrangements and plans. We are still looking for volunteers to man the stalls, so please fill in the green form and send it back. Thank you to all the volunteers who are delivering the pamphlets, it is appreciated.

And, finally, fingers crossed for good weather!

Working Bee

On Sunday we had over 50 people attend the working bee as we prepared for the Fair. Everyone was working hard to make our school look good. The yellow slide has also been installed but is not ready to go into operation yet, but we are one step closer.

Thank you to everyone who helped on the day, the difference you have made is enormous!

Swimming

The Grades 3 to 6 are in their second and final week of swimming and despite the cold weather they have been enjoying their sessions. The swimming program is such an important program as we are heading towards summer.

Community Survey/ DEECD Parent Survey

Recently we sent out a Community Survey which we are asking all families to complete and return. We have had an excellent response and wonderful feedback from the community. As we mentioned earlier the School Council is looking at strategies to both engage and support our community and these surveys are highly valued to help us do that. Thank you for taking the time to complete the survey.

As I have said before in the last year we have seen a
significant increase in connectedness within our community. This was very apparent in the results from the random survey sent out by DEECD. One of the areas surveyed was extra-curricular activities. For clarity around what extra-curricular means, they are things like camps, sports days, bike education, discos, swimming program, school productions, Open Nights, instrumental music, choir, sports (Cross Country, Hoopetime), student leadership programs, Footy Day, Lunchtime Clubs, Dress Up/Special Days, Interschool Sport, University Of NSW Competitions. Grandparents, Mother’s and Father’s Day events and School Buddy Program just to name of few!

Another Wonderful Working Bee

Last Sunday 27 families attended our Working Bee. Everyone worked tirelessly and contributed to our school looking great. The garden beds in the Village Green were topped up with mulch in preparation for the Twilight Fair. Leigh Walters also gave the yard a thorough tidy using his high strength blower.

Of course, the exciting event of the day was the installation of the Yellow Slide. This has come about because of the many, many hours Jeff Edgell has spent researching and constructing the frame that secures it in place. The time he has put in to achieve this has been enormous and is greatly appreciated.

Again, all the work was well rewarded with a sausage sizzle and morning tea gratefully delivered by Karen McCrohan and Nicole Vicente.

A huge thank you to all the families who attended, including some new families:

OUT OF SCHOOL HOURS CARE

2014 Enrolments

Every year we require a new enrolment form to be completed for each child who attends OSHC. These forms can be obtained from Karen.

Accounts

Please make sure all accounts are paid by the due date.

Bookings/Cancellations

Bookings/cancellations can be made by texting or leaving a voice message on 0403 197 821.

Please include the following information in your message:

Student’s Name
Student’s Grade
Date & Time of Booking or Cancellation

Next Twilight Fair newsletter out tomorrow

Cake Stall reminder
Calling all bakers! Parents of Whitehorse are looking for people to donate yummy cakes and bakes for the Twilight Fair Cake Stall.
If you would like to help, don’t forget to return your packaging order form to school this week.

Plates, boxes and other packaging will be sent home in the week starting 18 November.
Cakes, biscuits and other goodies can be delivered to school on Friday 22 November.

Volunteers - the heart of our Twilight Fair
Thank you to the many generous families who been assisting with Fair preparations (organising stalls, delivering pamphlets, wrapping prizes and more) or who have offered to assist on the day.

We still have plenty of volunteer vacancies to be filled on the night, particularly in Food Service.
Please contact the Office if you are able to help or see tomorrow’s Twilight Fair Newsletter which will contain the latest version of the roster.

We need lots of help to make the event a success. Many hands make light work!
