Father’s Day Stall
The Father’s Day stall was once again organised by POW with thanks to Jo Foster-Johnson and all the parents who helped on the day. The children loved being able to buy gifts for their dads and we hope all the fathers had a lovely day.

Father’s Day Pizza Night
The pizza night was incredibly well attended and beyond our wildest imaginings. We thank everyone who helped with the dough making, those that were involved on the night and all the Dads and children that attended on the evening. Also thank you for your patience with the pizza cooking queue. We look forward to another similar evening with expanded catering facilities.

Sausage Sizzle and Cake Stall
On Election Day a small and hard-working team of parents and staff organised and ran the Sausage Sizzle and Cake Stalls. Between them they raised approximately $1200. Thank you to all the families who made items for the Cake Stall.

Stephanie Alexander Kitchen Garden Showcase Dinners
The last of our Showcase Dinners are scheduled for tonight. This is Grade 3/4B. Thank you to all the families who have attended so far, we were thrilled to see you! A very big thank you to Deborah, Phillip and Eve who have worked incredibly hard to make sure each and every Showcase Dinner is a success. Kids and Dads Pizza Night

On Friday 30th August the school held its first Father’s Day Pizza Night. There were an incredible number of Dads who attended and an amazing number of pizzas eaten. It was a lovely atmosphere where fathers were able to spend some valuable time with their children and meet other parents in the school community. This night would not have been possible without the effort and support of P.O.W. and the school community would like to thank all the people who helped make the night a success.
Friday 22 November 2013 5pm till 9pm

Plant Stall
Thank you to all those who have already donated to the plant stall. If you would like to help out we still need a few more donations of GOOD QUALITY POTTING MIX (for around $10).

On Thursday 5th September, many Grade 5 and 6 students participated in the extra curricula activity of basketball, namely the McDonalds Senior Hoop Time Round Robin, at Nunawading Basketball Stadium.

We had 4 teams entered – two in Rookies and two in Future Stars. It was a very busy day for those playing and watching, as each team played 4 games. Both Future Stars teams played in finals, which meant extra games to watch and cheer.

The Rookies had a great day with a mixture of wins, losses and drawn games. It was fantastic to see the skills develop in each game and watch great teamwork in action. A special thank you to Tom Fly, who came on the day to help coach one of the Rookies teams.

The Future Stars also had great success with both teams making the finals. It was exciting to see the Future Stars team, the Whitehorse Warriors, make it into the grand final. After a very close, loud and nail biting game, they ended winning the game 8-5. This now means they go onto the Regional Finals, to be played on October. A BIG thank you to Adriana Ballestrin for coaching the Whitehorse Wildcats and also to Amanda Hume, who guided the Warriors throughout all game and especially the grand final.

Well done to all the teams and good luck to the Whitehorse Warriors in the Regional Finals.

Hope to see you about the basketball stadiums playing basketball!
